

Assignment No:01

Title: Create an account in AWS and configure budget

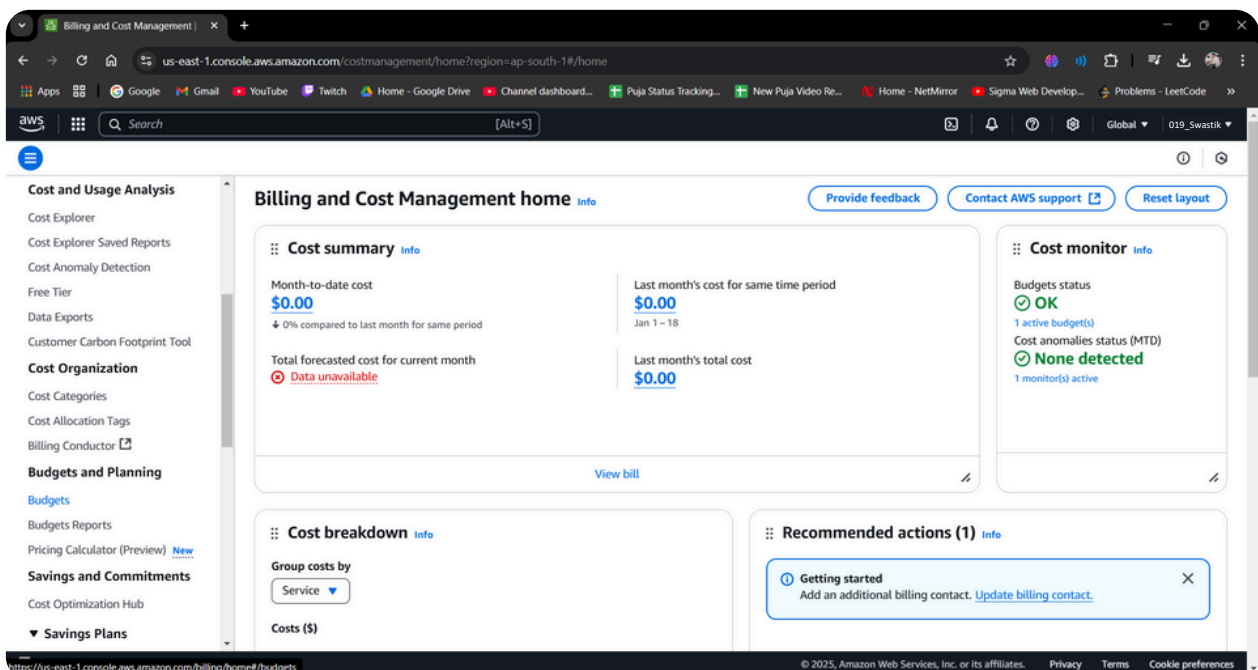

Step-1:

Open the AWS Management Console and click on the user name in the top right corner and click on the Billing and cost management.

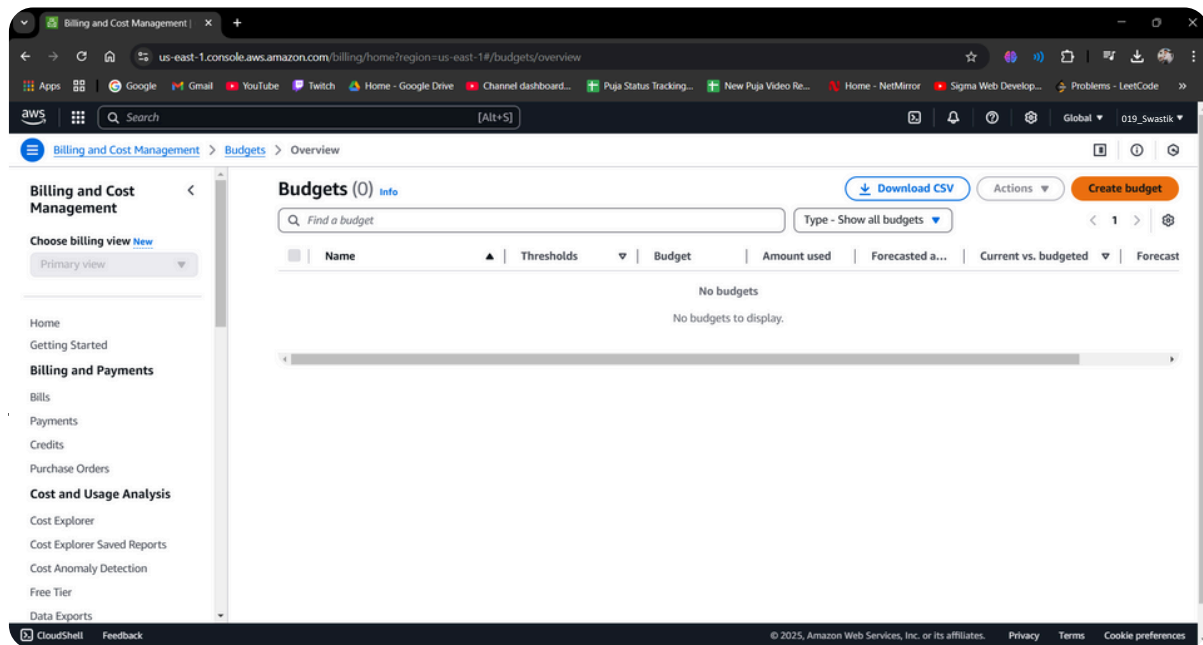

Step-2:

Select the Budgets option from the left panel.

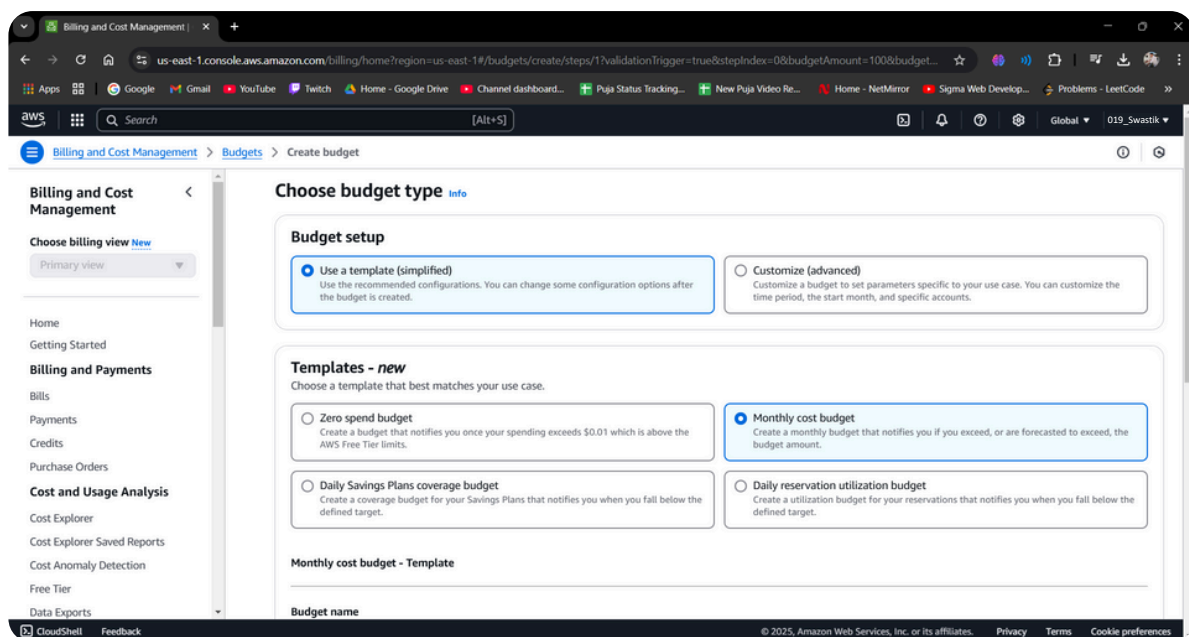

Step-3:

Click on the Create a budget button to create a new budget.

Step-4:

Choose the Budget Setup

Step-5:

Write essential details here like name of the budget, period, budget and then click on Create Budget

The screenshot shows the 'Create budget' page in the AWS Billing and Cost Management console. The page is titled 'Create budget' and is part of the 'Budgets' section. It contains several input fields and sections:

- Budget name:** A text input field with the value 'Swastik_Budget'. Below it, a note states: 'Names must be between 1-100 characters.'
- Enter your budgeted amount (\$):** A text input field with the value '2.00'. Below it, a note states: 'Last month's cost: \$0.00.'
- Email recipients:** A text input field with the value 'swastikghosh3110@gmail.com'. Below it, a note states: 'Maximum number of email recipients is 10.'
- Scope:** A section titled 'Scope' with the text: 'All AWS services are in scope in this budget.'
- Notification settings:** A section titled 'You will be notified when' with three options: '1) your actual spend reaches 85%', '2) your actual spend reaches 100%', and '3) if your forecasted spend is expected to reach 100%'. The first option is selected.
- Template settings:** A section titled 'Template settings' with the text: 'This template has default configurations that can be changed later. To change any of these settings, see [Custom](#). You can also download this template in [JSON](#).'

At the bottom right, there are two buttons: 'Cancel' and 'Create budget'.

Step-6:

Budget has been successfully created

The screenshot shows the 'Budgets (1)' overview page in the AWS Billing and Cost Management console. The page displays a table of budgets. The table has the following columns: Name, Thresholds, Budget, Amount used, Forecasted amount, Current vs. budgeted, and Forecasted amount. The table contains one row for the budget named 'Swastik_Budget'.

Name	Thresholds	Budget	Amount used	Forecasted amount	Current vs. budgeted	Forecasted amount
Swastik_Budget	OK	\$2.00	\$0.00		0.00%	

At the top right of the table, there are buttons for 'Download CSV', 'Actions', and 'Create budget'. At the bottom right, there are buttons for 'Cancel' and 'Create budget'.
